Authorized Church Representative: <i>Signature</i> <i>Printed Name</i> <i>Title</i> <i>Date</i>	The W.D.C. standard requirement is "If the church [and the client, if possible] can cover the cost of the parts and ½ of the estimated labor cost (\$80 per hour), then WDC will donate the remaining labor cost". NOTE: The average hourly labor cost at independent repair shops is \$160-\$170 per hour (even higher at dealerships). W.D.C.'s way makes it \$40. Also, we do not mark up the price of the parts. We buy the parts wholesale and pass the savings on to the client.
